

A ROADMAP FOR COMMUNITY ENGAGEMENT

...TO STREAMLINED SUPERHIGHWAY

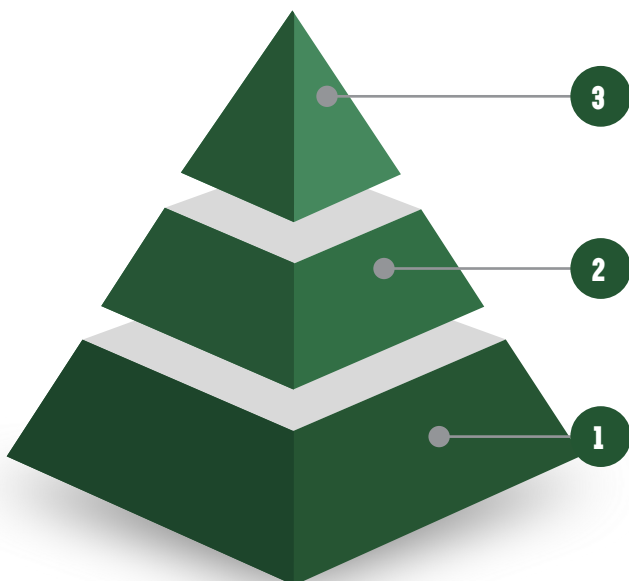

The Community Engagement Pathway is a tool to guide you on your community-based learning journey as you thoughtfully and productively address the cultural, economic, educational, environmental, health, and social needs of the greater Charlotte region. This tool helps you navigate numerous opportunities to engage with the greater Charlotte community, and encourages you to build on those experiences while cultivating and articulating your own civic identity. This pathway illuminates the connections between your community-based learning experience, your academic journey, and your broader personal and professional purpose.
